HAKKIMIZDA

2017 yılında Kumtel Gıda A.Ş. bünyesinde kahveye olan tutku ve merakımızla yarattığımız Addis Ababa Coffee markasının kökeni Etiyopya'ya dayanıyor. Kahve çekirdeklerinin ana vatanı olan Etiyopya'daki tarlalarımızda özenle ürettiğimiz kahve çekirdeklerimizin fincanlarınıza ulaşma yolculuğunu etkileyici hale dönüştürmek için çalışıyoruz. Bu amaç doğrultusunda yüksek teknolojik altyapı ve alanında uzman ekibimiz ile Türkiye'deki en büyük kahve üretim tesislerinden birini Kayseri'de faaliyete geçirdik. Bu sayede Addis Ababa Coffee'nin lezzet ve kalitesini garanti altına alıyoruz. Addis Ababa olarak her zaman en iyi lezzeti hak eden sizler için dünyanın en iyi çekirdeklerini özenle bir araya getirerek kendimize has tekniklerle harmanlayarak kavuruyoruz. En lezzetli kahveleri, en taze şekilde size ulaştırmak en büyük motivasyon kaynağımız.

ABOUT US

In 2017, Kumtel Gıda A.Ş. Addis Ababa Coffee, which we created with our passion and curiosity about coffee, is a brand of Ethiopian origin. In order to transform the journey of reaching your cups with our coffee beans, which we meticulously produce in our fields in Ethiopia, the homeland of coffee beans, we have put into operation one of the largest coffee production facilities in Turkey, with our high-tech infrastructure and our expert team. Thus, we guarantee the taste and quality of Addis Ababa Coffee. As Addis Ababa, we meticulously bring together the best beans in the world for you who always deserve the best taste, and roast them by blending them with our own techniques. Bringing you the ancient coffee culture in the freshest way is our biggest motivation.

FARKIMIZ

Kahvelerimizde bulunan ikolata, narenciye gibi aromatik tatları, harici hibir katkı maddesi kullanmadan ve aroma eklemekten kendi zel kavurma yntemlerimiz ile ortaya ıkarıyoruz. Kahveye olan tutkumuzu sizinle paylařmak iin alıřıyor, yksek standartta teknolojik ve geniř hacimli retim tesislerimiz sayesinde en kaliteli kahveleri uygun fiyatlar ile sizlere sunuyoruz. Dnyadaki en kaliteli kahve ekirdeklerini kendi standartlarımız dahilinde uzmanlarımızla birlikte zenle seiyoruz. Her damak zevkine hitap eden eřitlilik ve harika lezzetler sunmak iin zel reetelerimiz ile ekirdekleri kendi aromasına gre ayrı sıcaklıklarda ve ayrı srelerde kavuruyoruz. Dengeli bir tat yakalayarak kahvelerimizin damak zevkinize en uygun řekilde sizlere ulařmasını saėlıyoruz. Addis Ababa Coffee olarak tm kahvelerini dikkatlice kavurmak iin daha fazla zaman ve emek harcıyoruz. nk iyi olan her řey zamana ihtiya duyduėunu ok iyi biliyoruz!

OUR DIFFERENCE

We reveal all the aromatic flavors such as chocolate and citrus in our coffees with our own special roasting methods, without adding any external additives or flavors. In order to share our passion for coffee with you, we offer you the best quality coffees at affordable prices with our high standard technological and large volume production facilities. We carefully select the best quality coffee beans in the world with our experts according to our own standards, and we roast our variety with our special recipes at different temperatures and times according to its own aroma in order to offer wonderful tastes. With a balanced taste, we ensure that it reaches you in the most appropriate way to your palate. Addis Ababa Coffee takes extra time and effort to carefully roast all of their coffees, because everything good takes time!
